- National "211 Project" Construction University
- National "Double First-Class" Construction University

## I. Programs, Language of Instruction and Duration of Funding

| Major                                 | Language of Instruction | School                           | Duration of Study | Level    | Duration of Funding |
|---------------------------------------|-------------------------|----------------------------------|-------------------|----------|---------------------|
| Electrical Engineering and Automation | Chinese                 | School of Electrical Engineering | 1+4 years         | Bachelor | 1+4 years           |

Note: Changing majors is not allowed during the study period.

## II. Scholarship Coverage and Criteria

1. Scholarship Coverage: including tuition fees, accommodation expenses, living allowance, and comprehensive medical insurance expenses.

2. Scholarship Criteria:

The details of the scholarship can be found by visiting China Scholarship Council website via <http://www.campuschina.org>.

3. Duration of Funding: 1+4 years, with the first year for language preparatory studies and the remaining four years for major-specific studies.

## III. Application Requirements

1. Holding nationality from ASEAN countries such as Vietnam, Laos, Cambodia, Malaysia, Myanmar, and Indonesia.
2. A high school diploma is required, and the applicant must be no older than 30 years of age.
3. Not concurrently receiving other scholarships.
4. Applicants should generally have a Chinese language proficiency of at least 180 points on the HSK (Level 4) exam or above.
5. Applicants must provide CSCA scores when applying. Applicants should submit authentic transcripts and must not falsify them. Applicants must provide scores in at least STEM Chinese, Mathematics, and Physics (or Chemistry). Those missing any required score or scoring  $\leq 50$  in any subject will be assigned to a designated institution for a one-year preparatory program.

#### **IV. Application Process**

Applicants need to apply on **both** the **China Scholarship Council Website** and the **International Student Online Service System of Guangxi University Website**, and submit their applications before 24:00 May 22nd, 2026 (Beijing time). The application steps are as follows:

1. Log in to the “CSC Online Application System” (<http://www.campuschina.org/>) and fill out the “China Government Scholarship Application Form” online, and submit the required application materials.

Guangxi University’s enrollment code is **10593**, and the “Silk Road” China Government Scholarship program category is B.

2. Log in to the “International Online Service Platform for International Students of Guangxi University” ([gxu.at0086.cn/StuApplication/Login.aspx](http://gxu.at0086.cn/StuApplication/Login.aspx)), register an account online, click on the link to activate your personal account, select “Chinese Government Scholarship - (Type B) Silk Road Scholarship program”, fill out the application.

3. Guangxi University will review applicants' documents. Those who pass the preliminary review will proceed to the interview stage. The interview will be conducted online. Specific interview arrangements will be sent to the personal email address provided by the applicant via the official email of the International Student Admissions Office. Please monitor your email for updates.

4. Applicants who pass the interview will proceed to the re-review stage. Guangxi University will nominate candidates who successfully pass the eligibility review, interview, and re-review for scholarships, and issue a preliminary admission notice to nominated applicants.

5. Nominated candidates must log in to the China Scholarship Council's application website via <https://studyinchina.csc.edu.cn>, select the scholarship program type "Type B", submit electronic copies of all required application materials, and complete the final registration.

## **V. Application Documents**

1. A photocopy of a valid passport. Please provide a copy of the full personal information page.

2. High School Diploma (translated and notarized). Graduating students must submit a letter from their current school indicating expected graduation. The letter must specify the expected graduation date and the date when the diploma will be issued. Original academic credentials must be presented upon registration.

3. Complete transcript of all courses taken during high school (translated and notarized).

4. CSCA Test Score Report. Applicants must submit a scanned copy of the CSCA Test Score Report, issued by China's Ministry of Education for the "China Scholastic Competency Assessment" (CSCA Test), with required subjects: STEM Chinese, Mathematics, Physics or Chemistry.

5. Applicants must have a certain level of Chinese proficiency. Priority will be given to those who can provide an HSK Level 4 certificate with a score of 180 or above.

6. Physical Examination Form for Foreign Nationals. This form must be completed in Chinese or English, and all items listed must be strictly examined. The Form can be downloaded via the following link: [gjxy.gxu.edu.cn/info/1221/4144.htm](http://gjxy.gxu.edu.cn/info/1221/4144.htm).

7. Certificate of No Criminal Record. The applicant shall submit a valid Certificate of No Criminal Record issued by the public security authority of the place of residence..

8. Applicants under the age of 18 (born on or after September 1, 2008) are required to provide relevant documents such as a power of attorney for minor guardianship, appointing a local resident in Nanning as their guardian. The template can be downloaded by the following link: [gjxy.gxu.edu.cn/info/1221/4982.htm](http://gjxy.gxu.edu.cn/info/1221/4982.htm).

#### **VI. Application Timeline**
